

080129 Ruiz

Hello, my name is Kristin Ruiz. My phone number is 630-904-5634 and my address is 10612 Burnham Court in Naperville, 60564 and my comment is that based on the title for the public scoping meeting for acquisition, I chose not to attend the meeting because I did not think that it was clear that this also includes construction and increased operations as well. And as a result I was wondering if you will be holding additional scoping meetings? And extending the comment period? And I'm wondering if it would be possible to request a public scoping meeting in Naperville since Naperville obviously is severely impacted by this. And I'm wondering if we can view the Safety Integration Plan before the comment period ends. Again, my phone number is 630-904-5634. We're just very concerned. We have a lot of very young children around here and we're just very concerned about the issue with the railroad. Thank you so much.
