To Whom It May Concern:

My name is Chondale Terry. I live at the Just for Jesus Challenge Homeless Outreach Ministry. I can tell you that this church has and is changing me for the better. I didn't always believe in the Lord. I believe that science had the answers to everything. Well, until my incarceration, then like most people, I wanted something more. I looked into the Bible and thought I found Christ. But I didn't. I only did until I didn't need Him anymore.

After years of doing this, I arrived at Just for Jesus and it's not like the normal homeless shelters where you have to leave during the day. This ministry is here to help everyone whether you are a senior, a vet, a person with mental health issues, and even people with sex offenses.

If this place gets closed because of the trash train, it will interfere with our time learning the Word of God and it will hinder a lot of people trying to start a new life.

Sincerely,

Chondale Terry, Jr.
