**Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company**

STB Finance Docket No. 35087

Date: 8.28.08

Comments must be submitted by September 30, 2008.

Hello,

My name is Martina McManamon and I have a family of 5. We are all very much against the CN acquisition of E, J & E. We are worried about accidents and especially hazardous chemicals spills. Also, the number of trains passing by our house would be huge and we would not like the noise, traffic delays and possibility of accidents. Please, do not endanger our children and our homes. Thank you!

Sincerely,

Martina McManamon
