 Message:

I strongly oppose the purchase by Canadian National Railway to acquire the EJ&E railroad. There are several reasons for my concern: 1. We already have a traffic issue along the roads that have surface crossings. How will the increased train traffic be handled? 2. What will these railcars be carrying - is it hazardous or a target for terrorists? 3. We have several children who live near these tracks; their safety needs to be of utmost concern.

Please do not allow this purchase. Thank you for your time and consideration.
