Transcript:

I am calling because I'm opposed to the SEA and that I'm opposed to the CNN Railroad, how it's gonna affect our neighborhood. I think it's disgusting that we are going to have all those hazardous materials so closely located to the school. I would like the Canadian National Railroad not to acquire the EJ&E Railroad, and at the least I think it's fair to give us a meeting in Plainfield and Naperville. So I hope you will allow up to have a meeting. Thank you
