

080206 Johnson

This is Mr. Robert C. Johnson in Barrington and we are retired people and have learned to avoid going into town at certain times of the day due to the tremendous traffic build up on Route 59 and anything that would aggravate that I would say is almost impossible to get in there and it's only like 3 miles away. That's just one thing. I feel sorry for the people that have to be at work on time, etc. People that are on the way to the hospital; all sorts of things. Anyways, for what it's worth, that's how we feel.
