Message:

Please do NOT allow the Canadian Railway to purchase the EJ&E Railway, which runs through School District 204 in Aurora & Naperville, IL, due to the fact that there are 10 ungraded intersections over which students will travel to 2 high schools in the near future. Also, the number of trains which Canadian Rail plans to run during school and rush hours will disrupt transportation to and from school as well as disrupt the schools near the tracks. Thank you.
