

Dear Victoria J Rutson,  
Finance Docket No. 35087

Jan. 20, 200

Why is this issue being considered as only MINOR. This is a Major problem here for us residents in Frankfort and surrounding communities.

We are very limited in access routes to the North that have an overpass. My family and neighbors south of the EJE near Harlem & Sauk Trail can only travel West to Lagrange Rd to get under the train tracks. I can tell you that even right now to get to Lagrange Road takes us anywhere from 10 to 20 minutes. This is such an inconvenience not to mention that it could become a tragedy if we do not have quick access to emergency personnel.

Please, Please, Please Stop - Look - & most of all listen to us here. We are prisoners in our own communities.

Before approval of this sale you must set up restrictions, guide lines, penalties, etc...  
So that we are <sup>not</sup> trapped with no place to go.
