Draft Environmental Impact Statement for the  
Proposed Canadian National Railway Company  
Acquisition of the Elgin, Joliet and Eastern Railway  
Company

STB Finance Docket No. 35087

Date: 9/2/08

Comments must be submitted by September 30, 2008.

Whereas I believe in free enterprise, I see  
no tangible <sup>benefit</sup> to the Barrington area with  
this acquisition. The "negatives" clearly outweigh  
any positives.

## Negatives

1. Increased traffic congestion - all parties
2. Additional gasoline expenses to individuals,  
private companies and school systems (buses)
3. Poorer emergency responses - health + fire
4. Impact on environment
5. Impact on businesses in Barrington area
6. Increased expenses to all citizens through  
required higher taxes
