How will CN's proposed acquisition of the EJ&E impact you?

Cars ideling will create more air pollution
and cost more money in gas

Emergency vehicles will be delayed
(fire + medical)

Vital Appointments missed

Frustration will cause road rage

" " " people to take risks
Traffic loads, already heavy will
build up

More kids in danger

Property Values will drop.

Causing tax revenue to drop causing

the need to raise taxes for services -

Causing an even greater drop in

property values.

School Buses will be delayed

Just got a long awaited by pass from the
State of Illinois to move traffic more
efficiently through the village - what is
the Surface Transportation Board thinking?

If you build a bypass
Over every road then it
might be O.K.

Will STB bring jobs?
Will STB benefit our
Town in any way?

Are there plans to
expand the capacity
of the rails?

Will these trains
be carrying hazardous materials?
What about Track Maintenance?
