

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: Aug 27, 08

I object totally and completely to the reorganization of the E, J & F Highway based on the impact to students and staff at the schools (I am a teacher) and for the safety and security of the people in our community for fire, paramedic and police services (my husband is a paramedic/firefighter).

Another alternative needs to be evaluated before such a disastrous decision is made that will impact our community and others.
