Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/27/08

Comments must be submitted by September 30, 2008.

If you could see how the Barrington area was impacted by just this event, you would understand that adding 35 trains to an all ready congested community would put traffic in a stand still.

I oppose these additional trains!
It will have an incredible out of pocket cost to each family in this community.

YOUR INPUT IS IMPORTANT!
