F. Name	Mary	L. Name	Ferguson		
Title	Business			Dept	
Address	24546 Wellesley Circle				
Address 2					
City	Plainfield	State	IL	Zip	60585

Transcript:

I'm calling because of the proposed railway that will be going through Plainfield, not only will it increase the congestion, which is bad already, it will also increase probably fatalities because the safety of the crossing and that the commute from school to work, for just about anything in our community will increase and it will certainly impact everybody in more ways than just transportation. So hopefully you'll have this complaint. Thank you
