Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/28/08

Comments must be submitted by September 30, 2008.

If CN is allowed to go thru with this plan many
AREAS of CONCERN ARE RAISED. It would hugely
impact our environment. Safety is one of
my primary concerns as well as traffic & noise.
Our children go to school in the Village & cross
the tracks daily. Traffic will be backed up
many times each day making it impossible for
emergency vehicles to pass. Over passes would
totally deface our lovely community. Property
values would plunge!!
