Dear Ms. Quinlan: Re: Docket # 35087

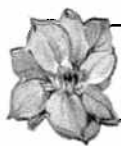

I am writing to oppose the sale of the
Elgin Joliet & Eastern Railway to the Canadian
National Railroad.

If the sale goes through it will negatively
affect the traffic in Aurora. I cannot under-
stand why the United States would allow
a foreign country to impact our quality

of life for their profit & convenience.
I hope our government will protect
the rights of our people by at least having
the Canadian railroad pay for over or
under passes before the sale is
finalized.

Thank you for your thoughtful
consideration of this matter.

Sincerely,
Marilyn Larkin
