1 MR. HOLMES: Gary Holmes. I'm here
2 representing myself as well as the Nature
3 Ridge PTO. That's an elementary school which
4 is about a half a mile from the West Bartlett
5 and West Bartlett Road and the train tracks.

6 My main concerns are emergency
7 response from the new fire station,
8 environmental spills in the area, the effect
9 on the Metra line and the congestion on West
10 Bartlett Road. That would be probably the
11 four stickler points for me.
