Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9/9/08

Comments must be submitted by September 30, 2008.

~~I~~ I Am not opposed to the Sale, if - - -

1.) the ^{total} cost of ~~adequate~~ Adequate mitigation efforts are
~~not~~ placed on either the Seller (EJ&E) or the
Buyer (CN), not the taxpayer

2.) Adequate monitoring is performed relative
to the transportation of Hazardous materials.

As a taxpayer in Aurora this increase will not directly
affect me positively therefore placing the burden on me to
pay for mitigation efforts is unreasonable.

This is unlike a school, firehouse, ^{roads} or other ~~local~~ ~~issues~~
municipal issue for which ^{local} taxes are used to ~~fund~~ fund.

YOUR INPUT IS IMPORTANT!
