Group/Affiliation: Rails to Trails Conservance

Regarding docket number EP-753.

ENTERED
Office of Proceedings
April 2, 2019
Part of
Public Record

Please extend the initial negotiation period from 180 days to one year. It is extremely important to ensure that the public is able to enjoy these corridors in the future and allowing the increase in time will help make sure the negotiation and all regulatory hurdles can be done without rushing the process.
