SURFACE TRANSPORTATION BOARD

Finance Docket No. 33942 (Sub-No. 1)

USX CORPORATION—CONTROL EXEMPTION—TRANSTAR, INC.

**TRANSPORTATION•COMMUNICATIONS INTERNATIONAL UNION'S
MOTION FOR AN EXTENSION OF TIME**

The Transportation•Communications International Union (“TCU”), pursuant to 49 C.F.R. §1115.8, requests a seven-day extension of time, to and including Monday, May 6, 2002, in which to respond to the petition for review of a *New York Dock* Section 11 arbitration award filed by Tracks Traffic and Management Services, Inc. (“TTMS”) on April 9, 2002.

Under the Board’s procedural rules, TCU’s response to TTMS’ petition for review is due to be filed on Monday, April 29, 2002, or twenty (20) days following the filing of the petition. Due to other commitments and family health problems, it will be extremely difficult for TCU to prepare its response by that date. Counsel believes that an additional seven day period, through May 6, 2002, will be necessary. Counsel has contacted the attorneys for TTMS, who do not oppose granting this extension. Accordingly, TCU respectfully requests that the Board grant such an extension, as the Board has done previously in this case, *see USX Corp.—Control Exemption—Transtar, Inc. (Arbitration Review)*, STB Fin. Docket No. 33942 (Sub-No. 1)(served March 21, 2002), and has done in similar situations in other cases. *See, e.g., Norfolk Southern Corp.—Control—Norfolk & Western Ry. (Arbitration Review)*, STB Fin. Docket No. 29430 (Sub-No. 21) (served September 9, 1999).

Respectfully submitted,
