Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/27/08

Comments must be submitted by September 30, 2008.

We are concerned with emergency protection. Our hospital & fire station are across the railroad tracks from where we live.

Traffic will also be a problem as the tracks can conceivably block 4 or 5 main roads in and out of Barrington at the same time

YOUR INPUT IS IMPORTANT!
