Re: Olin Property, Wilmington, Massachusetts

Dear Ms. Johnson Ball:

I am both opposed and appalled to the Transrail site in Wilmington. "I do not want another contaminated waste site!" For some years now the Olin Chemical site has been and at present is contaminated. Why not clean up one mess before we create another problem. What are you guys trying to do, destroy neighborhoods? It seems to me there are many, many wider open spaces. Start using your heads before you destroy neighborhoods with noise, odor and pests

PLEASE HELP OUR TOWN!!

Sincerely,

Ernest S Adams
