**UNION PACIFIC RAILROAD COMPANY--ABANDONMENT
EXEMPTION--IN LOS ANGELES COUNTY, LA**

The environmental assessment (EA) that was served October 30, 1998 in this proceeding contained a typographical error on page 2.¹ The Conditions should read as follows for the Los Angeles Department of Transportation:

CONDITIONS

We recommend the following environmental conditions be placed on any decision granting abandonment authority:

The Los Angeles Department of Transportation (LA DOT) states that a portion of the line proposed for abandonment is located in the City of Los Angeles. Therefore, LA DOT requests that UP consult with the following individuals prior to salvage operations: (1) Mr. Brian Sunshine, City of Torrance, Assistance to the City Manager, 3031 Torrance Blvd., Torrance, CA 90503; (2) Mr. Bill Winters, County of Los Angeles, Supervising Civil Engineer III Program Development Division, P. O. Box 1460, Alhambra, CA 91802-1460; (3) Mr. Aurelio A. Albaisa, City of Los Angeles, Transportation Engineer LA DOT, 221 N. Figueroa Street, Suite 400, Los Angeles, CA 90012 and Mr. Victor M. Osugi, District Engineer, Bureau of Engineering, 638 So. Beacon St., Ste 400, San Pedro, CA 90731-3346. Therefore, we recommend imposition of a condition requiring UP to comply with LA DOT's request.
