Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: August 27, 2008

Comments must be submitted by September 30, 2008.

I am very opposed to the CN's proposal
of increasing the early freight train traffic
in Barrington (the EJE track crosses
the Metra tracks) which will also
interfere with the commuter Metra system.
The whole town will suffer
from this congestion.
