

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: Aug. 27, 08

I am most concerned with the safety of Barrington area residents. The tracks are at ground level where several pedestrians cross. There were ~~too~~ many unfortunate ~~accidents~~ deaths on the railways recently.

A second concern is the de-valuing of properties. Homeowners did not buy into Barrington ~~with~~ expecting such an increase in train traffic.
