Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-28-08

Comments must be submitted by September 30, 2008.

toxic spills & effect on the aquifer we are on well/septic
who pays for cleanup?
Moving trains from areas that have the infrastructure
into areas that don't have anything
change in life style
cost to residents - who is going to pay for overpasses & under
noise factor during night
What about investigating tracks further west in
rural areas
safety - fire, ambulance, police can't respond in Wayne
tracks block our access roads
level of congestion will be greater in the new areas
than what already exists in the current path
foreign country - doesn't have the best interests of
the US in mind
businesses near the crossings will lose customers due to the
traffic congestion so many trains will create
length of trains
speed of trains - blocking crossings for long periods of time
