Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I have lived in Barrington for more than thirty years. Congestion has grown exponentially during that time. Many of our streets are already congested all day long. Downtown will be completely overwhelmed by this traffic. We will have no time for our children getting to school. Hospital access will be compromised. The disadvantages are well documented. Please, please, please don't allow my town to be ruined.
