History: This message has been replied to and forwarded.

David,

While updating our contacts list, we learned that Kirston Brown of the Rock Island Corps District is on a one-year detail. Please add Donna Jones to your contact list for the Regulatory Program at the Corps of Engineers. Her office will have Clean Water Act Section 404 permitting responsibility for the portion of the Great Lakes Basin Freight Rail project in northern Illinois.

Ken

Donna Jones, P.E.

Chief, Illinois/Missouri Section

1500 Rock Island Drive

Clock Tower Building, 2nd floor

Rock Island, Illinois 61204
