Message: I strongly oppose the effort of the Canadian National Railway Board to acquire the Elgin, Joliet and Eastern Railroad, which runs north and south through Indian Prairie School District.

I live near the rail road and i think the increased traffic will create a lot of noise and pollution and trains tend to run all night long and by federal law will sound horn more than once approaching mutiple unmanned crossings creating sleepless night for the neighbors.

I am sure that my view will be seconded by most of my fellow citizens living in my subdivision and neighborhood.

Thank you
