3 I'm a seventh grade student
4 who takes -- who goes -- takes math at
5 the high school for the extended program,
6 and we go there for one period and then
7 we come straight back and we cross the
8 EJ&E Railroad going on Lake Cook, and
9 this would greatly delay our bus and it
10 would make it less safe or unsafe because
11 the bus is so big, it could be dangerous,
12 we could all die and get hurt.

13 On our way back, we could be
14 greatly delayed and we could get really
15 late for school and miss all our classes,
16 while other people make them.

17 In the next suburb there was a
18 very bad bus accident where a train hit a
19 bus and nine kids were killed, and I'm
20 scared that with all the extra trains, that
21 might happen to me.

22 I'm 12 years old.
