How will CN's proposed acquisition of the EJ&E impact you?

My family's concern ~~with~~^{with} this proposal is:

- ① negative environment impact to Lake Zurich
- ② noise increase at the ~~high~~ high school during school & after school activities
- ③ increased traffic congestion on ^{only} 2 lane roads that cross the tracks. In order to get from our subdivision over to the HS we would need to cross these RR tracks
- ④ LZ is a ~~small~~ community that is quiet w/ many smaller roads that are relatively congestion free. These smaller roads cross these tracks. This change in train traffic will change our small town atmosphere
- ⑤ Besides the HS there are elementary school children that will need to cross these tracks to get to & from school - my concern is for their safety w/ increased train traffic
- ⑥ there are several ball fields, the
