**Re: MC-F-21019, Fenway Partners Capital Fund III, L.P., et al.
– Control – Coach America Holdings, Inc., et al.**

Dear Secretary Williams:

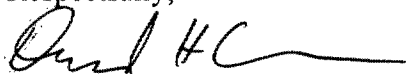

On December 1, 2006, Fenway Partners Capital Fund III, L.P. ("Fenway") and various subsidiary entities filed an application with the Board seeking approval for their acquisition of control of Coach America Holdings, Inc. ("Coach America") and the 31 Coach America-controlled motor passenger carriers that operate subject to federal regulation under the Interstate Commerce Act. Fenway also requested that the Board expedite publication of its tentative decision approving the transaction.

Among the motor carriers over which Fenway requested control authority was CUSA NC, LLC d/b/a Nevada Charters ("Nevada Charters"). It operated under operating authority issued by the Federal Motor Carrier Safety Administration (or its predecessor) in Docket No. MC# 465263 and under US DOT # 1167637. *See* Verified Application of Fenway Partners Capital Fund III, L.P., et al., Exhibit 1 at p. 4. Subsequent to the filing of Fenway's control application with the Board, an audit of Coach America's operating authorities led to a determination that Nevada Charters' interstate operating authority was no longer needed. Accordingly, a filing was forwarded to the Federal Motor Carrier Safety Administration on December 15, 2006 voluntarily surrendering that operating authority. This voluntary surrender will have no impact on Coach America's operations or on the overall transaction that is the subject of the above-referenced control application. Accordingly, Fenway and Coach America request that Nevada Charters be removed from the list of carriers over which control authority is being sought in this docket and that any tentative decision exclude reference to that entity.
