2 Rutherford. I was wondering about the BNSF
3 freight trains going through blowing that
4 whistle all hours of the night going
5 through, and that's fine, but why do they
6 have to blow the whistle? They've got
7 gates there, and the gates are working. So
8 far, every time I go through, they work.
9 That was my complaint.

10 And I still -- I'm still
11 opposing this other railroad going
12 through, the Canadian Railroad, I do
13 oppose that.
