To whom it may concern,

I am writing today to support the appointment of Ben Abrams President & CEO of Consolidated Scrap Resources, Inc. of York PA. Ben has been a leader in the industry and expert on rail issues. He has been a resource to individuals in transportation challenges for our industry and would bring a level of experience that will benefit the Railroad- Shipper Transportation Advisory Council.

Any questions please feel free to reach out to me at 781-873-1665.

Best Regards
