Project team or court reporter,

My husband and I are opposed to the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company. STB Finance Docket No. 35087.

We moved to a 55+ Community a few years ago. It is a peaceful community. We do hear the 10 or so trains each day, but we have adjusted to it.

However - 30-40 trains a day will seriously impact our community. It may mean windows closed year around. Noise is our first complaint. Hazardous waste - we want none to travel through our area - but an increase of 700% - is outrageous.

Already the roads of Diehl and Liberty have traffic back-ups. One lady was killed this year on Liberty crossing.

This acquisition is not good for the home owners of Aurora.
