1 MS. KOLASA: My name is Jenneen
Page 1

2 Kolasa, and I'm from Naperville,
3 subdivision; and I was just thinking what a
4 perfect setup for a -- for Al-Qaeda or
5 something to pass through major population
6 through our United States. It could be
7 thought of as already -- what the trains
8 already going through this made me think
9 what if they put something in those trains
10 that we don't know about, not that we know
11 about half the stuff that's going through
12 there anyway, but it's a lot that could
13 happen especially through the country here;
14 and I just I didn't hear that addressed, so
15 I just wanted to share my views. I'm a
16 homeowner; and if it would get really bad
17 noise and stuff like that, who would want
18 to live there, right? That's all I had to
19 say because everything else was covered.
