Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 9-14-08

Comments must be submitted by September 30, 2008.

I am very much Opposed to the railway ~~use of~~ being purchased by Canadian National Railroad. The Congestion on roads will be major. This will impact many communities in a negative and over-flowing manner. Not to mention train noise, hazardous materials, and an emergency service response times. This is going to be a huge headache. The concerns are easy to see why this is a ~~disaster~~ bad choice. We need less stress in our lives NOT MORE!!!
