Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/68

- I object to the Acquisition of E1+E2 by CN
- due to the benefits to the region not justified
- strictly concern to the health & wealth of community
- Residential housing value will be affected
- increase fuel usage due to Tram crossing delay
- Noise level ↑
- Life & death FMEA response impact ..
- Failure to assess likelihood of taxpayer investment
