

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: Aug 27, 2008

I am strongly opposed to the approval of this acquisition by Canadian National Railway.

The impact on our community is so great that it could hinder the flow of not only everyday life as it is but future growth. This is a great threat to a thriving suburb with many families that will be disturbed.
