

080211 Pichlik

My name is Gayle Pichlik. 20966 Deer Path Road, Deer Park IL 60010. Regarding the railroad, I am totally against it. I work at the hospital. There is no easy way to get through without going over the tracks and that's going to delay people that have heart attacks or paramedics. The school is right in town and the kids . . . there could be a lot more accidents. It's just. . . I'm totally against it. I'd rather see it go through downtown Chicago or through Chicago and it's already a traffic jam here besides traffic, too. And if it's going to delay traffic even more and make it unsafe to get to the hospital and to school and the buses, everything. So, please do not pass that. Thank you.
