Dear Ms Quinlan - We opposed
that we're opposed of the sale
of E. V. & E. Railroad to Canadian
National due to the negative
effect it shall have on our
auto traffic - delays at inter-
sections thru out our County
would be 15, 20, 25 minutes
long, & that's unreasonable.
Of the 133 Crossings if
the sale is to happen, at least
75% should be elevated!

Kindly Consider extend-
ing the period for accepting
Comments to, at least, 120 Days

839 Thanks You Sincerely,
Rita & Ken
