- ☐ The proposed rail line is near my business.
- ☐ The proposed rail line crosses my property
- ☐ Other, please specify

2. What are your concerns regarding potential environmental impacts and do you have any mitigation suggestions?

3. Please use this space for additional comments or suggestions.

I strongly believe the Quarry would be a great thing to happen in Medera County. The Quarry would have a large Tax revenue to the County & promote good jobs. The railroad would be ideal thing instead of trucking it. Vulcan is a good company to come to Medera County & is a environmental & safety concern company.

Thank you for your comments.
