Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I live approx. 100ft from the ESTE track. I am
absolutely terrified of this merger. I have
two ~~small~~ small children who walk to
school in the village. We hear the trains,
obviously! I can't imagine having my
house tremble + my windows shake all
day long. We have a small town here
the possibility of 3 train crossing that
will be affected. Our traffic will be at
a complete standstill! How can you let
this happen? Please, please reconsider!
How will the pollution increase? Are you
really ready to face the possibility
that kids will get hurt or even worse
from trying to cross the tracks or beat
the trains because they're trying to get
to school? And God forbid I ever
have to move, my house will be worthless!
The economy is bad enough, don't ruin
our community! Please, please, please
Reconsider! Don't approve
this merger!

YOUR INPUT IS IMPORTANT!
