Bill –

Decisions in both cases are being worked on actively at this time. I'm unable to provide you with any specific information on timing. I don't know that information, and if I did, I would not be authorized to release it. However, I can say it's unlikely that any decisions would be served "soon," as in the next couple of weeks.

Thanks,

Dave

Do we expect a decision on the petitions to reopen for the new alignments any time soon? I know you can't tell me what they say, but looking for some guidance on timing.
