There are so many adverse effects
on CN Railway bringing the number
of trains they are proposing into the
Barrington area. For example:

1. Noise pollution
2. Traffic congestion
3. School bus delays for children of all
ages.
4. Emergency vehicle - life/death
complications
5. Air pollution
6. Hazardous waste pollution
7. Pedestrian dangers
8. Businesses will suffer loss.
9. Real Estate values will plummet
causing personal losses to families.
10. Commerce before lives is not
a good thing for the future of
our community & / or country.

YOUR INPUT IS IMPORTANT!
