Wendy,

The Biological Opinion is now available on the Board's website as environmental correspondence at the link below:

https://dcms-external.s3.amazonaws.com/DCMS_External_PROD/1632181228534/EI_31295.pdf

It should also be available through the Board-sponsored project website (www.uintabasinrailwayeis.com) sometime today.

Please let me know if you have trouble accessing the document.

Best,
Josh
