Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

I do not support the expansion of freight trains in our area. The Barrington area will not be able to operate as these train lines flow throughout our downtown area closing too many major roads.

This will be a huge safety issue also with the area schools and transportation of kids.
