Transcript:

I oppose the acquisition of the railroad, of CN proposed Railway acquisition, the acquisition between CN and EJ&E Railroad. It comes through my uh town and I believe it will be a safety issue, pertaining to the residents of the area. I oppose this acquisition. I do not want this railroad through my town and anymore railroad cars. I oppose due to the amount of railroad cars and trains that it would put through our subdivision and uh transportation of motor vehicles through this area would be held up from a numerous amount of time. I oppose this with great heart and soul. Think of the communities that it's going through before you make this acquisition of this railroad proposal. Thank you
