Date: Friday, August 18, 2017 2:39:18 PM

Ken,

Shortly after we hung up, I received the reply below from Mike Flowers at Indiana Landmarks stating no historic structures are present.

Thank you,
LaWada

Dear LaWada Poarch,

I have reviewed the document and have no further comments in records to the abandonment of the section of rail because there are no historic structures within the APE affected by the action. Thank you for contacting me and sharing the report. Have a fantastic weekend.

Best,

.....
