Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/27/08

Comments must be submitted by September 30, 2008.

I work in the Ice House building in downtown Barrington and look out at the "Northwestern" railroad tracks thru my office window. Several times during the past few months I have observed westbound Metra trains stopped outside my window waiting for the E J & E tracks to clear. That means that 4 or 5 crossings may be closed at the same time in downtown Barrington. If we add more trains, how many more times will this blockage occur?
