Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/2008

Comments must be submitted by September 30, 2008.

The CN purchase of the EJ&E tracks will cause
the following hardships:

- Cut off my children access to the Barrington High School due to the length and number of crossings
- FIRE Dept response time will increase to my home
- Police Dept response to my home
- Parks, Sports Field are on the other side of the tracks causing more time to get to their games and more importantly the safety of crossing these tracks
- More pollution, never use of gasoline
- NO guarantee CN will not increase traffic on tracks in Chicago
- ~~Foreign~~ Canadian Company being subsidize by American Tax Payers.
- Loss of Jobs
- Loss of Business
- Increase commute time for not only Barrington but also surrounding towns.
